**Request to Withdraw the Petition to Revive, Because the Petition is Moot**

On July 25, 2006, a petition to revive the above-identified application was filed by mistake, because the application was never abandoned. The Applicant respectfully requests that the petition be withdrawn and the petition fee be refunded.

*Explanation*

The Applicant filed PCT/US06/26159, on July 3, 2006, and PCT/US05/44660 on December 9, 2006. At the time of filing the petition to revive, the Applicant's representative had confused these two applications for one another and therefore thought that a rescission of the nonpublication request (and the notification of foreign filing of the present application) had not been filed within the 45 day time period of the filing of

PCT/US05/44660 on December 9, 2006, as would have been necessary to prevent abandonment. However, the subject matter of the current application is not contained within PCT/US05/44660. Although the subject matter of the current application is contained within PCT/US06/26159, 45 days after the filing date (July 3, 2006) of PCT/US06/26159 is August 18, 2006. A rescission of the nonpublication request was filed with the petition to revive on July 25, 2006, which was well before the deadline of August 18, 2006. Additionally, as a precaution a second rescission was filed by facsimile on the same day as this request for withdrawal, except the second rescission has Mail stop PG PUB on it and was faxed to 571-273-8300, whereas the first rescission was mailed to the Office of Petitions with the petition to revive. Accordingly, the current application is not and never was abandoned.

*Alternative Request (if the above request cannot be granted)*

Alternatively, if for some reason it is not possible to withdraw the petition to revive and refund the petition fee, the Applicant respectfully requests that the above remarks be considered with the Petition to Revive.

Conclusion

The Applicant respectfully requests to withdraw the petition to revive filed on July 25, 2006, because the present application was never abandoned, as explained above, and therefore the petition is moot. Alternatively, if for some reason the US Patent and Trademark Office cannot grant the present request to withdraw the petition to revive, it is requested that the above comments be considered with the petition to revive.

Please charge any fees that may be due (and that have not been paid for elsewhere) and credit any overpayment to Deposit Account # 503345.

Please feel free to contact the Applicant's undersigned representative at 408-993-1800 if contacting the Applicant's undersigned representative will be helpful in any way.

Respectfully Submitted,

## Attachment to Notice of Abandonment

**For questions concerning the notice contact  
Office of Patent Publication  
Image Assistance Center: 888-786-0101.**

Information is also available on the USPTO Internet web site:  
<http://www.uspto.gov/web/patents/pubs/abandonnotice.html>

### **Respond to the Notice of Abandonment by one of the following:**

- 1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required**

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing 37 CFR § 1.10 "Express Mail" mailing or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450  
By facsimile: 703-872-9306

- 2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required**

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450  
By facsimile: 703-872-9306

- 3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)**

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450  
By facsimile: 703-872-9306

**Note:** Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment
